Acknowledgment of Receipt

I, financemanager financemanager, acknowledge the receipt of the company properties listed below from IT Department, and agree to maintain them in good condition and to return them upon termination of my employment, for whatever reason, or when requested by Management. In case the said properties are no longer needed for the performance of my job, I will notify the Admin or IT Department through my superior to arrange for their surrender. Any damage incurred to the property, whether due to wear and tear or an incident or accident beyond my control, shall be reported immediately within twenty-four (24) hours to the Admin Department, with a copy furnished to the HR Department, using the Incident Report.

I agree that if any of the items are damaged or lost due to my negligence, I shall be held accountable. I hereby authorize the Company to deduct the cost from my salary, final pay, or any monetary claims, equivalent to the amount of the damage or the value of the lost company property.

Company Property Issuance Agreement

1. This issued company property is for official use only.
2. The issued company equipment shall remain the property of the Company, which retains all rights and sole discretion to regain possession, suspend its use, and/or assign the property to another employee as necessary.
3. This Agreement shall continue to exist unless sooner terminated as provided herein, or upon determination by the Company that the provision of new equipment is necessary. In such a case, the old company property, along with all accompanying accessories, if any, shall be turned over without further need of demand to the Administration Department or the IT Department.
4. In case of employment termination, the employee shall likewise surrender the Company issued property, together with all accompanying accessories, if any, to the Administration Department or IT Department not later than the last day of work, without further need of demand.
5. In the event of damage, whether due to an accident or any untoward incident, the employee shall immediately file a report (through an Incident Report Form) within twenty four (24) hours, explaining the cause of the damage. The employee shall be fully accountable for the cost of repair if it is not covered or is no longer covered by warranty, in cases where the investigation conducted by Admin, IT, or HR concludes that the damage or loss was due to negligence or failure to follow company policy or job responsibilities.
6. In case of loss due to negligence, the employee shall provide a replacement of the same model and condition. If such replacement is no longer possible, the employee shall pay in cash the full value of the equipment at the time it was supposed to be turned over, or at its current value, subject to investigation by Finance, IT, Admin, and HRD. The value of the laptop is not limited to its hardware but also includes its contents (company confidential information), software applications, licenses, and related assets.

FOR INTERNAL USE ONLY

By signing this, I fully accept all the terms and conditions of this agreement. All the provisions and terms of this agreement have been made clear to me.
